Mr. Hathaway,

Pursuant to the Virginia Freedom of Information Act, I am requesting records showing the total amount approved, invoiced, and paid to date to The Berkley Group for the Comprehensive Plan process, including all costs associated with surveys, canvassing, focus groups, small-group sessions, public workshops, and other community outreach or engagement activities.

I would prefer to receive any responsive records electronically, if readily available. If the anticipated cost of fulfilling this request exceeds \$50.00, please provide me with an estimate before proceeding.

Best regards,

Mike Joyce

Good morning Mr. Joyce,

This email is to confirm receipt of your request for records in accordance with the Freedom of Information Act. Please be advised that New Kent County does not possess any records responsive to your request. The Berkley Group was not the consultant for the

Comprehensive Plan process. The Berkley Group has been hired to update the County's Subdivision and Zoning Ordinance.

Thank you,

Rodney Hathaway, County Administrator

New Kent County, Virginia

Mr. Hathaway,

I 100% apologize — that was my mistake. I was asking about the latter you had mentioned, not the Comprehensive Plan.

I mixed the two up when I wrote the FOIA request this morning. Please disregard my reference to the Comprehensive Plan. I was trying to request the records related to The Berkley Group's work on the County's Subdivision and Zoning Ordinance update.

Thank you for catching that and clarifying it for me.

Best regards,

Mike Joyce
